Law Review Citations:

(As we have stated, if the document was first written in Thai language,
it will be stated in the citation first in Thai, then in English language.
If you feel the Thai or English version needs correction, please advise.
Maybe using Track Changes in Review in Word.)

Citation begins with a capital letter and ends with a 'full stop'(.)

1st in Thai language if the document was first written in Thai, followed by English: Format
