Our Courses

We offer more than 60 courses all year long, but normally run around 15 classes every semester. These are some of our top-notch courses:

No.	Name of Courses	Course Description
-----	-----------------	--------------------

Faculty of Pharmacy

- | | | |
|----|---|---|
| 1. | Indonesian Traditional Medicine
4 credit units
<i>offered in semester 2</i> | The course is designed to give general and detail overview on Indonesian Traditional Medicine or Jamu.
Lecturers:
Prof. Dr. Mangestuti Agil, MS., Apt. ; Prof. Dr. Bambang Prajogo, MS., Apt. ;
Dr. Wiwied Ekasari, MS, Apt. |
|----|---|---|

Faculty of Humanities

- | | | |
|----|---|---|
| 2. | Celebrity Culture
4 credit units
<i>offered in semester 2</i> | This course traces the increasingly central importance of fame and celebrity over the 19th century, 20th, and 21st. The course examines the infrastructure of celebrity in relation to education, entertainment, and politics, the star system of early Hollywood and emerging norms of publicity, the formation of publics and counter publics through the example of celebrity.
Lecturer:
Diah Arimbi, Ph.D |
|----|---|---|

Faculty of Social and Political Sciences

- | | | |
|----|--|---|
| 3. | Globalization and Strategy
6 credit units
<i>offered in semester 2</i> | This course provides a somewhat advanced coverage of the development and transformation of business enterprise within the global economy by focusing on the business strategy and dynamics of institutional and organizational change resulted from today's globalization process. This includes the effect of structural, institutional, and organizational change upon the strategy of the business enterprises for survival and success in the contemporary hyper-competitive, technology-driven, fast-paced, uncertain, globalized environment.
Lecturer:
Vinsensio Dugis, Ph.D |
|----|--|---|

Faculty of Economics and Business

- | | | |
|----|---|--|
| 4. | Cross Culture Management:
An Asian Perspective
6 credit units
<i>offered in semester 1</i> | After accomplishing this subject, the students are expected to be able to explain cultures of various nations and differentiate or compare working culture dimension of each nation. The comparison will help students to understand that the differences in management practices of each nation are due to different cultural background. Furthermore, they are also expected to explore the competitive excellence of the existing working culture in Asia. Specifically, Indonesian students are expected to be able to explain the positive values and the excellence of their own culture.
Lecturers:
Dian Ekowati, Ph.D. ; Sony Kusumasondjaja, Ph.D ;
IBG Adi Permana, SE, MM. ; Tuwanku Aria Aulandri, SE, M.Si |
|----|---|--|

- Candidates may enroll courses in any faculty (regardless of their original majors & meeting the course requirements)

Testimonials

"If you are a business student, Surabaya is a perfect city, a growing and developing city, to live and observe. AMERTA has an easy transferable credit system, and the most important thing is a very reachable team from IOP."

- Khalid M. Mawad, Martin Luther Universitat,
Halle Wittenberg, Germany

"I am so grateful experiencing AMERTA. We've been exposed to Indonesian cultures through various events and trips throughout the semester. IOP team has made the transition of living in another country much easier."

- Nur Izzati Mataram, Universiti Brunei Darussalam
Brunei Darussalam

"One of the best things I get from AMERTA is I learned lots of stuffs. I also love the food, the people in Surabaya, and AMERTA is *one hell of a ride!*"

- Ikhwan Busairi Salleh, Universiti Brunei Darussalam,
Brunei Darussalam

Profile of Universitas Airlangga

Established on 10 November 1954, Universitas Airlangga currently has 13 faculties and one school of postgraduate, ranging from basic sciences, medicine, and social sciences. Its vision is to become an independent and innovative university regionally and globally, a forerunner of science development, technology, humanities and arts based on excellent morality and religions.

For many years, as an institution of higher education, Universitas Airlangga has always tried to improve the quality of its education and the supporting facilities in order to achieve Universitas Airlangga's vision to produce the best graduates who are not excellent in academics but also have good morality. Universitas Airlangga has 3 campuses which are located in three strategic locations in Surabaya, Indonesia.

Campus A, which consists of Faculty of Medicine and Faculty of Dentistry, has arrays of beautiful Dutch-built buildings and located right in front of the provincial hospital, Dr.Sutomo Hospital.

Campus B mainly consists of social science-based faculties, such as Faculty of Law, Faculty of Economics and Business, Faculty of Social and Political Sciences, Faculty of Psychology, and Faculty of Humanities. It also has one life-science faculty, the Faculty of Pharmacy. On Campus B, there are several main institutional support system/units for the university, which are the Central Library, Post Graduate Programs, and Center for Health Care.

Campus C, the latest development of Universitas Airlangga's site, is where the University Management Office is located, along with some life-science faculties such as Faculty of Veterinary Medicine, Faculty of Science and Technology, Faculty of Public Health, Faculty of Fisheries and Marine, Faculty of Nursing, and several centers, such as Institute of Tropical Disease, Planning and Development Board, Research and Community Service Institute, Internal Auditor Committee, Airlangga University Press, and the AIRLANGGA GLOBAL ENGAGEMENT (AGE).
