What can you experience through TUJP Online?

Study Tools:

Google Classroom, Zoom

1. Japanese Language Lessons

TUJP Online-1 & 3 are designed for basic learners of the Japanese language. You will acquire the linguistic and cultural knowledge needed for getting around Japan and carrying out casual conversation with native Japanese speakers.

TUJP Online-2 is for pre-intermediate and intermediate learners of the Japanese language. By attending this program, you can boost your Japanese language level to an advanced speaking level.

2. Collaborative Learning & Interaction with Tohoku University Students

You can gain diverse perspectives and communication skills by working with Japanese and students from different backgrounds in **intercultural collaborative learning classes**. In addition, a local student at Tohoku University will become your “buddy,” and assist your learning during the program. You can also become familiar with Japanese culture and student life at **a workshop with TU students**.

3. Lessons on Japanese Culture & Society

You can learn about various aspects of Japan through lessons on Japanese culture and society. These lessons will be conducted in English for **TUJP Online-1 & 3**, and in plain Japanese for **TUJP Online-2**.

In addition to the class hours, students will be required to study outside of class for assignments and group projects etc.
