

Tentative Schedule
Online Joint Environmental Cleanup Event
Chiang Mai University-National Chiayi University-Kagawa University

Purpose: Through environmental garbage collection and survey based on ICC* procedures we aim to ① deepen our awareness of the impact of inland, marine, and river plastic garbage on the environment ② foster international relations and understanding of lifestyles and culture between Thailand, Taiwan, and Japan ③ cultivate relationship and cooperation among the three universities, students, and members of the local community at the event locations.

When: 27th November 2021. Thailand time 8:00~11:00, Taiwan time 9:00~12:00, Japan time 10:00~13:00

Where: Old City Canal, Chiang Mai; Aogu Wetlands, Chiayi; Kamano Beach & Kagawa University Marine Station (Japan)

Connection method: via Zoom (hosted through Lrong's Zoom account)

Organizer: Japan side (Aji-na Beach Clean Committee (Nakanishi, Lrong, Maruyama, Mizobuchi))

In cooperation with Kagawa University (Setouchi Research Center Aji Marine Station & International Office), Kamano Residents Association, Takamatsu City Council of Social Welfare Aji Branch

Participants: Thailand side: ??; Taiwan side: ??; Japan side: 30 people (Students (15), members of local community (15))

Weather conditions etc.: The three countries shall consult and decide together on evening of 26th November. A decision shall be made based on weather and/or Covid-19 situation on whether to proceed with event wholly or partially.

Chiang Mai	Chiayi	Kagawa	Time (min)	Details	Person in charge	Remarks etc.
		9:30		Registration	Mizobuchi
