Dear partners,

Greetings from Tokyo! This is Ochanomizu University Summer Program Office.

We would like to share with you the information about our online intensive program, which will be held in July - August 2022. Due to the current situation of the pandemic, we had to take the hard decision of holding our program in online. This program provides classes about societal or scientific issues in relation to Japan and involves interactions with Japanese students: your students will be able to make Japanese friends and learn about Japan. The nomination of students to this program is due **February 28th, 2022.**

Please refer to the attached brochure, our website and following information for further details about the online intensive program:

And also, please click [here](#) to see the explanation video about our Ocha Summer Program for Global Leaders 2022. We hope this helps.

(1) Period

- The program (classes, lectures and projects) will be held as followings;

For the participants to Subject Based course

July 19 – August 6 Lecture

For the participants to Japanese Language course

July 18 – August 6 Japanese Language class

For the participants who want to take Project Work Course in addition to Subject Based Course or Japanese Language course

June 20 – July 16 Lecture, seminar and group work

- Online student exchanges (with buddy from Ochanomizu University) will start from June 2022 to enhance the student interactions.

(2) Academic Credit

- Ochanomizu University academic credit will be given to participants who will have completed the program and meet the requirements of each course.

(4) Registration Fee and Scholarship

- Registration Fee of 10,000 yen will be charged to every participant (No refundable). Tuition is waved for partners universities.

- Since program no longer involves traveling to Japan, we will not be able to award any scholarship.
